**SHAPING
EALING**

**Your
Local Plan**

What is Shaping Ealing about?

This summer, we will be presenting Ealing residents, businesses and others with a first draft of the 'Local Plan.' The Local Plan will be used to shape the priorities for the borough over the next 15 years and guide decisions taken by us and others on homes, green spaces, tackling climate change, creating good jobs and addressing concerns around health and inequalities.

What to expect

To prepare for this, we are planning a series of conversations and surveys to understand how you'd like to shape the borough and your local area for the future. This way, when we present our draft plan to you, your views and priorities will have formed part of the decision making process.

When?

Our first Shaping Ealing survey is live and we're encouraging all residents, businesses and others to get involved. It's short, simple and quick and your answers may have a lasting impact on the future of the borough.
