

PARTNERS FOR HEALTH 2022

open for applications for projects that can demonstrate:

- Positive outcomes **for people facing significant barriers to health***
- A new approach or **thoughtful development** of service
- **Partnership** between health and community organisations.

Who can apply?

- Registered charities operating in London,
- Supporting vulnerable people to improve their health,
- Priority is given to charities with an annual income of <£500,000 and which have not previously received a **Partners for Health** grant.

Successful projects

- Will be clear about what they want to achieve and how,
- Be in partnership with a health agency or community partner,
- Are knowledgeable about the sector in which they operate,
- Will disseminate project findings.

Grant details

- Grants range between £3,000 and £10,000 (the average award is £7,000)
- Usually for one year beginning in 2022.

How to apply

Apply online via the London Catalyst website www.londoncatalyst.org.uk/grants

The deadline for applications is 5:00pm on Thursday 2nd June 2022**

- Shortlisted applicants will be informed by **Monday 13th June 2022**
- Shortlisted applicants will be invited to present to an interview panel
- **Interviews will take place on Wednesday 29th June 2022**
- A final decision will be made after the interview.

*This can include people with disabilities, age related and long term progressive health conditions and those experiencing homelessness

** It is advisable to submit applications in good time, those submitted after the closing date will not be accepted.

Previous Partners for Health projects include:

Wealdstone Methodist Church: £3,000 for the Diabetes Community Club: encouraging behaviour change using peer support

The Magpie Project: £6,500 to investigate barriers and facilitators to accessing health services for parents of under-fives living in temporary accommodation

Vision Care for Homeless People: £5,440 to pilot a mobile optician's service for homeless people, providing sight tests, eye screening and glasses for homeless patients.

Headway West London: £6,000 for an Outreach Link Worker to develop collaboration with St Mary's Hospital trauma unit, to involve survivors of acquired brain injury and their families in supporting their rehabilitation.

E17 Puppet Project £5,774 to co-produce a community arts project, lesson plans and resources with young people living with sickle cell disease attending the Rainbow Centre for blood transfusions.
