The **Skills for Success Programme** is designed for those young people who want to improve their employability skills and prepare for the world of work. The aim of the programme is to help learners develop and improve skills required for the workplace and increase learners' confidence and communication skills to prepare them for employment or a change in employment.

The **Skills for Success Programme** will make you more aware of what employers are currently looking for when hiring new employees and how you can make the most of your technical qualifications, skills, experience and personal qualifications when applying for jobs.
